PROSPECTUS FOR ADMISSION TO DIPLOMA IN GENERAL NURSING AND MIDWIFERY COURSE 2025.

PREFACE

Amala School of Nursing, named after Blessed Mary Immaculate, is a minority Christian institution which is open to all irrespective of religion, caste or creed. It aims at giving effective Nursing training to the youth to become professionals devoted to the healing ministry, especially in rural areas. It also strives to strengthen the quality of service offered in the large number of Medical institutions run by the community. Amala School of Nursing is a unit of Amala Cancer Hospital Society managed by the Devamatha Province of the Carmelites of Mary Immaculate (CMI) founded by Saint Kuriakose Elias Chavara. Students are admitted to this Institute as per the admission procedure stipulated by the concerned authorities and in the tenor of the admission policy of the management.

1. VISION

To establish a centre of excellence providing value-added education that combines effective teaching, focused academic exposure, and productive research with the aim of training health care personnel with professionalism and spirit of love and service as their hallmarks.

2. MISSION

1. Appointing faculty known for their academic excellence and who are committed to carrying out the institutional mission.
2. Forming effective health care personnel marked by up-to-date knowledge, professional skills, and with an inclusive, global outlook, in eco-friendly ambience.
3. Promoting the capacity for critical thinking, communication, collaboration and creativity.
4. Instilling compassionate love towards all especially the poor and the marginalized.
5. Encouraging innovative research that will benefit humanity.
6. Inspiring the students to become life-long learners.
7. Creating an atmosphere conducive to the students imbibing spiritual and ethical values.
8. Providing top-up skills to enhance the employability quotient.
9. Providing state-of-the-art infrastructure

3. PHILOSOPHY OF NURSING SCHOOL

We believe that quality in nursing care and management of nursing service is achieved through professional nurses who assist in the development of comprehensive programme of delivering patient care.

We believe that nursing education is organized within the framework of the hospital system in such away that it can achieve its goal of preparing nurses for the first level positions in nursing both in the hospital and in the community.

We believe that the nursing education department formulates the nursing curriculum, its nature and the end that it seeks to achieve.

We believe that the nursing educational department determines the selection of best students, preparation of faculty, development of the curriculum, attitude towards patient and community and the personal life and the professional growth of every member of the student body and the faculty.

We believe in preparing a person who can fulfill the role, function and responsibilities of the professional nurse with in one self and to the society.
